## TIPS FROM OUR EXPERTS BY DECORATION TECHNIQUE

---

### HEAT TRANSFERS

A graphic, name and or number applied to a textile with a heat press. Great for quantities of any size, sports name and numbering, fashion, performance wear, print on demand programs and on-site decorating events.

**Decal or Sticker only**

### UV PRINTING

A method of ink jet printing direct to a garment or hard good. You use specialized inks that cure after printing with a UV light that follows the print head. There are both Direct to Garment and Direct to Substrate style machines.
